EXPERIENCE

Freelance Developer/Growth Hacker

June 30th, 2019 - Till Date

I am currently a freelance developer/Growth Hacker. I also provide tech and consulting services for startups.

#GADS 2020 - Programme Assistant

June 6th, 2020 - Dec 30th, 2020

Grow with Google, Andela, and Pluralsight partnered to provide a new program to support software developers in Africa on Android, Google Cloud, and Mobile Web skills. I am currently serving as a program assistant.

#BuildforSDG Challenge 2020 - Programme Assistant

June 6th, 2020 - Dec 30th, 2020

Facebook and Andela partnered to up-skill developers across Sub-Saharan Africa, through a six-week immersive program where selected developers work in agile remote teams to build projects relating to the SDGs.
